

**RFT No.:** 0801580

**Project Title:** RYLSTONE, KANDOS & VILLAGES  
SEWERAGE AUGMENTATION  
REUSE STUDY – ASSESSMENT OF  
EFFLUENT REUSE SITE AT KANDOS

**Brief Description of Work:**

NSW Department of Commerce is calling tenders for and on behalf of Mid-Western Regional Council from suitably qualified and experienced consultants to undertake the following works:

1. Assess the suitability and sustainability of the proposed site in Kandos (Evans Property) for effluent irrigation
2. Collection and testing of soil samples
3. Electromagnetic survey of the site
4. Preparation of Reuse Study Report

For more details, please refer to the following attachments (all as separate files):

- (a) Tender document titled “*Consultancy for Rylstone, Kandos & Villages Sewerage Augmentation: Reuse Study – Assessment of Effluent Reuse Site at Kandos (Contract No. 0801580)*”
- (b) Appendix A – Site Plan for Option C2 (Regional Scheme Reuse from new STP)

- (c) Appendix B (Sheet 1 of 2) – Locality Map showing proposed Irrigation Area and new Sewage Treatment Plant Site
- (d) Appendix B (Sheet 2 of 2) – Locality Map showing proposed Irrigation Area and new Sewage Treatment Plant Site
- (e) Tender Schedules

With the exception of (e), all files are in Adobe PDF format. For (e), this is the working WORD (.doc) file for Tenderers to complete and submit prior to close of tenders.

To be eligible for consideration, Tenderers must pass all the non price criteria. Refer Conditions of Tendering – Clauses 1 and 11, Tender Schedules – Outline Services Delivery Plan, Schedule of Methodology and Schedule of Information on Recent Engagements.

**Tenders Close: 9:30am on Tuesday 16<sup>th</sup> September 2008**
