Intellectual property (including future intellectual property) in all New Contract Material vests in the Principal or is otherwise hereby assigned by the Service Provider to the Principal. Title to, and Intellectual Property rights in, all New Contract Material (other than copyright) shall, on creation, vest or otherwise be assigned or transferred to the Principal, without the need for further assurance.

9.2. Existing Contract Material

This Agreement does not affect the Intellectual Property rights in Existing Contract Material, but the Service Provider hereby grants, and ensures that relevant third parties grant to the Principal, without additional cost, a nonexclusive, irrevocable, transferable licence:

- a) to use, reproduce, communicate to the public and adapt for its own purposes; and

- 10.1. The Service Provider agrees to indemnify and keep indemnified the Principal and its officers, employees and agents ("those indemnified") against any liability or loss (including reasonable legal costs and expenses), incurred or suffered by any of those indemnified where such liability or loss is incurred by reason of or in connection with:

a) any infringement or alleged infringement of any Intellectual Property rights (including Moral Rights) arising out of the supply or use of the Services or any Contract Material provided under this Agreement; and/or

b) any unlawful, wrongful, willful or negligent act or omission of the Service Provider or its personnel in connection with this Agreement.

10.2. The Service Provider's liability to indemnify those indemnified under this Agreement shall be reduced proportionally to the extent that any unlawful, wrongful, wilful or negligent act or omission of those indemnified caused or contributed to the liability or loss.

10.3. The indemnity contained in this clause 10 is a continuing obligation of the Service Provider separate from and independent of any other responsibility of the Service Provider and will continue beyond the period of this Agreement.

10.4. The Principal may, in its absolute discretion, agree to cap the Service Provider's liability under clause 10 of this Agreement to a monetary amount. Any cap on liability must be specified in the Agreement Details.

11.5. Adjustment of the Fee on Termination

Upon termination of this Agreement, the Principal will pay the Service Provider for the Services performed by the Service Provider up to the date of termination but in the case of termination under clause 11.2, such payment shall take into account any adjustments and deductions for loss or damage suffered, or reasonably likely to be suffered by the Principal as a consequence of breach of this Agreement by the Service Provider. The Principal may offset any money due against any money payable by the Service Provider to the Principal and recover any shortfall from the Service Provider as a debt due and payable.

11.6. Further Services after Termination

If the Principal requests the Service Provider to provide further services or undertake any additional work of a minor, incidental or ancillary nature in connection with the Services after termination pursuant to clause 11.1, and the Service Provider agrees to perform the work, then notwithstanding such termination all such work or services shall be deemed to be part of the Services and subject to the terms of this Agreement.

12. CONSEQUENCES OF TERMINATION

- 12.1. Without limiting the Principal's rights in relation to this Agreement, if the Principal pre-paid any amounts to the Service Provider for Services to be performed which at the date of termination have not been performed and this Agreement is terminated for any reason:

- 12.4. The Service Provider must for a minimum period of seven (7) years following the expiration or termination of this Agreement, keep the operational records and project data relating to the provision of the Services securely and in a form and manner as to facilitate access and inspection under this Agreement.

- a) both parties will try in good faith to settle the dispute by negotiation;
- b) if unresolved, the party claiming that there is a dispute will give the other party a notice setting out the details of the dispute;

The dispute should not be subject to proceedings before a court until the Small Business Commissioner has certified in writing that the parties' participation in the dispute resolution process has not resolved the dispute. The Commissioner's certificate will be structured to inform the Court whether the parties participated in the dispute process, if a party did not participate or if the matter was only partly resolved through the process;
 - ii) where the Service Provider is not a small business, and failing settlement within a further ten (10) Business Days, the parties agree to appoint a mediator from the Australian Commercial Disputes Centre (ACDC) to conduct a mediation to resolve the dispute. The parties agree that the dispute will not be subject to proceedings before a court until the mediator appointed by the parties has certified in writing that the parties' participation in the dispute resolution process has not resolved the dispute. The mediator's certificate will be structured to inform the Court whether the parties participated in the dispute process, if a party did not participate or if the matter was only partly resolved through the process.

- 13.2. The parties will each bear their own costs for dispute resolution. Despite the existence of a dispute, the Service Provider will (unless requested in writing by the Client not to do so) continue performance under the Agreement.
