1 INTRODUCTION

Treasury Policy Paper TPP09-05, *Internal Audit and Risk Management Policy for the NSW Public Sector* was first issued in August 2009. The Policy has since been updated and is now TPP20-08 *Internal Audit and Risk Management for the General Government Sector* (the Policy). The Policy requires agencies to maintain organisational arrangements that provide additional assurance, independent from operational management, on internal audit and risk management.

TPP20-08 mandates a set of core requirements that GSF agencies and statutory bodies must implement. Specifically, Core Requirement 3.1 requires agencies to establish an independent Audit and Risk Committee with appropriate expertise.

TPP20-08 requires Independent Chairs and Members to be drawn from the Panel of pre-qualified individuals maintained through this *Prequalification Scheme, Audit and Risk Committee Independent Chairs and Members*, established under Department of Premier and Cabinet Circular C2009-13 *Prequalification Scheme: Audit and Risk Committees*.

The Panel comprises highly skilled members with extensive experience across a range of policy areas, is an important element in ensuring strong governance of General Government Sector agencies and provides a valuable contribution to the NSW public sector.

- 3.2 Information submitted with an Application may be subject to investigation, reference checking, searches, interviews, enquiries, and confirmation. Applicants are deemed to have authorised any such action.
- 3.3 Agencies seeking to engage Independent Chairs or Members can view a summary of the capability and experience of Applicants to assist in determining a Panel Member's suitability for a specific engagement.

4 NSW GOVERNMENT PROCUREMENT POLICY FRAMEWORK

- 4.1 Panel Members must adhere to the NSW Government [Procurement Policy Framework](#) at all times.
- 4.2 Any breach of the NSW Government [Procurement Policy Framework](#) may result in the termination of an engagement and/or removal from the Scheme.

5 APPLICATIONS FOR PREQUALIFICATION

- 5.1 Application instructions can be found on the Scheme's [site](#).
- 5.2 Only those Applications which fully satisfy all requirements set out in these Scheme Conditions and that are fully completed will be considered by the Assessment Committee.

6 REMUNERATION

6.1 Independent Chairs and Members engaged via this Scheme will be remunerated up to the rates outlined in clause 6.2 below. The remuneration rates reflect the size of the Audit and Risk Committee and work performed. These rates will be reviewed every two years.

6.2 The maximum rates applicable from December 2020 are:

Fee category		Large	Medium	Small
Member fee rates (excluding GST and superannuation)		\$2,092 per meeting day	\$1,621 per meeting day	\$1,255 per meeting day
Chair fee rates (excluding GST and superannuation) <i>Annual rate + per meeting day rate for additional meeting days after the 7th meeting day</i>	<i>For up to 7 meeting days per annum:</i>	\$20,920 per annum	\$16,213 per annum	\$12,552 per annum
	<i>For each additional meeting day (above 7 meeting days per annum):</i>	\$2,989 per meeting day	\$2,316 per meeting day	\$1,793 per meeting day

A meeting day is defined as a minimum of three hours but is typically the equivalent of a normal business day. This includes preparation and meeting time.

Superannuation must be paid to Independent Chairs and Members in accordance with the *Superannuation Guarantee (Administration) Act 1992 (Cth)* as Independent Chairs and Members are considered employees for the purpose of this legislation, regardless of the form of payment.

At the beginning of each financial year, the number of meetings per year is to be estimated and agreed by the Audit and Risk Committee and all agencies overseen by the Audit and Risk Committee, to determine the estimated total remuneration per Independent Chair and Member. It is the responsibility of the participating agencies to monitor Audit and Risk Committee remuneration.

6.3 The following table defines the types of Audit and Risk Committees that comprise each fee category in 6.2:

Fee category	Audit and Risk Committee (ARC) Type
Large	<ul style="list-style-type: none"> Principal Department Led Shared ARC Large Collaborative Shared ARC <ul style="list-style-type: none"> for four or more agencies, each with total annual expenditure up to \$100m, or which includes one or more agencies with total annual expenditure more than \$100m Standalone ARC for an agency with total annual expenditure of \$400m or more

Medium	<ul style="list-style-type: none"> • Collaborative Shared ARC for up to three agencies, each with total annual expenditure up to \$100m • Standalone ARC for an agency with total annual expenditure between \$50m and \$400m
Small	<ul style="list-style-type: none"> • Standalone ARC for an agency with total annual expenditure up to \$50m

- 6.4 The method of payment shall be at the discretion of the agency. Payment may be made either through the agency payroll or against an invoice.
- 6.5 The rates shall include *all* costs of the Independent Chair or Member excluding subsistence and travel costs outside the Sydney Metropolitan Area and/or from Interstate.
- 6.6 Subsistence and travel expenses outside the Sydney metropolitan area and/or where the Panel Member is from Interstate are to be charged at actual cost, or at the rates specified under the *Crown Employees (Public Service Conditions of Employment) Reviewed Award 2009*, whichever is the lesser.

7 PREQUALIFICATION PROCESS

- 7.1 The Assessment Committee will determine the membership of the Panel to be formed under the Scheme. The Committee may interview a short list of Applicants for inclusion in the Scheme.

The Assessment Committee will be convened and chaired by a senior representative from NSW Treasury. The members of the Committee will be senior representatives from NSW Department of Customer Service, NSW Department of Premier and Cabinet, NSW Treasury, the Institute of Internal Auditors (or other professional body) and a practising internal auditor.

- 7.2 The Panel to be formed under the Scheme will be composed of Applicants who are deemed to be qualified following the assessment of an Application submitted in accordance with clause 5.1 and these Scheme Conditions.
- 7.3 Applications may be submitted at any time.
- 7.4 Applications will be assessed periodically at the discretion of the Assessment Committee.

8 EVALUATION CRITERIA

- 8.1 Applications will be assessed according to the following evaluation criteria:

1. *Applicants for the role of Audit and Risk Committee Member must demonstrate:*
 - a. Extensive senior level experience in governance and management of complex organisations, an ability to read and understand financial statements and a capacity to understand the ethical requirements of government (including potential conflicts of interest).
 - b. Functional knowledge in areas such as risk management, performance management, human resources management, internal and external

auditing, financial reporting, accounting, management control frameworks, financial internal controls, governance (including planning, reporting and oversight), or business operations.

- c. a capacity to form independent judgements and willingness to constructively challenge/question management practices and information.
 - d. a professional, ethical approach to the exercise of their duties and the capacity to devote the necessary time and effort to the responsibilities of a Member of an Audit and Risk Committee.
 - e. Possession of a relevant professional qualification or membership [e.g. Institute of Internal Auditors (IIA), CPA Australia (CPA) and Chartered Accountants Australia and New Zealand (CA)] is desirable.
2. *Applicants for the role of Audit and Risk Committee Chair, as well as meeting the requirements for selection as an Audit and Risk Committee Member outlined above, must also demonstrate the following:*
- a. leadership qualities and the ability to promote effective working relationships in complex organisations.
 - b. an ability to communicate complex and sensitive assessments in a tactful manner to chief audit executives, senior management, board members and Ministers.
 - c. a sound understanding of:
 - the principles of good organisational governance and capacity to understand public sector accountability, including financial reporting;
 - the business of the GSF agency or statutory body or the environment in which it operates;
 - internal audit operations, including selection and review of chief audit executives; and
 - risk management principles.

- 8.2 Current employees of all NSW government sector agencies cannot serve as Independent Members or Chairs of an Audit and Risk Committee, as per the independence requirements in clause 3.1.8 of TPP20-08.

This includes all agencies and employees in the Government service (Public Service Departments, Non-Public Service Divisions and Special Employment Divisions), the Teaching Service, NSW Police and the NSW Health Service. For the purposes of this Scheme it will also include statutory and special appointments other than non-executive directors of the governing board of a statutory body. For the avoidance of doubt it is clarified that non-executive directors of the governing board of a statutory body are eligible to be appointed as Independent Chairs and Members of Audit and Risk Committees subject to satisfying the conflict of interest criteria and requirements set out in clause 3.1.8 of TPP20-08. This is to ensure that independence, real and perceived, is maintained.

For the avoidance of doubt, those engaged as Independent Members or Chairs of an Audit and Risk Committee are excluded from this requirement for the purposes of the Scheme and TPP20-08, despite them being an “employee” within the extended meaning in the *Superannuation Guarantee (Administration) Act 1992 (Cth)*.

Public servants from other jurisdictions may be pre-qualified as Independent Chairs or Members. However, the rules relating to secondary employment in their organisation will need to be satisfied, including the management of any conflict of interest, and written confirmation will need to be provided by an authorised person in their jurisdiction.

9 INTERVIEW WITH ASSESSMENT COMMITTEE

- 9.1 Where further clarification is required, an Applicant may be provided with the opportunity to attend an interview with members of the Assessment Committee.

10 NOTIFICATION OF ASSESSMENT OUTCOME

- 10.1 The Assessment Committee may accept an Application (with or without limitation) or reject the Application.
- 10.2 NSW Procurement will notify all Applicants of the outcome of their Application in writing.

11 SPECIAL REQUIREMENTS

Membership of the Panel under the Scheme is subject to the following conditions:

- 11.1 For each Audit and Risk Committee to which the Panel Member is engaged, the Panel Member will enter a contract with the individual agency concerned, unless other arrangements are specified by the agency.

- 11.5 Panel Members may be engaged to a maximum of 5 Audit and Risk Committees that are established under TPP20-08. NSW Procurement should be informed of all engagements. It is the responsibility of both pre-qualified Panel Members and the Accountable Authority or the governing board of a statutory body to ensure this limit is not exceeded.

- 11.6 The maximum term that Independent Chairs and Members may be appointed to Audit and Risk Committees is stated in clauses 3.1.13 - 3.1.17 of TPP20-08.
- 11.7 Independent Chair or Members of an Audit and Risk Committee will not disclose without lawful authority:
- (a) any secret or confidential information acquired as a consequence of the role as an Independent Chair or Member of an Audit and Risk Committee
 - (b) any secret or confidential information acquired by him or her from any record to which he or she has access to as a consequence of his or her role as an Independent Chair or Member of an Audit and Risk Committee

13 UPGRADING OF PREQUALIFICATION

- 13.1 The Assessment Committee may upgrade a Panel Member's status under the Scheme from Member only to Chair and Member where:
- (a) the Panel Member has submitted a written application seeking such an upgrade, including documentation and other material in support of his or her request; or
 - (b) the Panel Member is assessed by the Assessment Committee as meeting the criteria for Audit and Risk Committee Chairs.

14 PERFORMANCE REPORTING BEHAVIOUR

- (a) the mutual objective of the parties is to achieve continuous performance improvement;
- (b) open, proactive and objective performance monitoring and periodic formal reporting is required;
- (c) performance issues being promptly addressed by the parties concerned; and
- (d) performance issues being discussed openly with the Panel Member to ensure that concerns (such as dissatisfaction with performance) do not come as a surprise prior to formal notification.

15 PERFORMANCE MANAGEMENT

- 15.1 The Accountable Authority or governing board of a statutory body must establish a mechanism for reporting on the performance of the Audit and Risk Committee as a whole as well as the performance of the Chair and each Member.
- 15.2 As a minimum, an annual assessment of the operation of the Audit and Risk Committee, including the performance of the Chair and members is required.
- 15.3 The Auditor-General may conduct a review of agency compliance with TPP20-08. This may include mechanisms to examine the performance of the Audit and Risk Committee.
- 15.4 Where there is an adverse report on the performance or conduct of a Panel Member, a copy should be provided to the Accountable Authority or governing board of a statutory body, the Panel Member and the Secretary of NSW Treasury.
- 15.5 If the Panel Member disagrees with an adverse report, the Accountable Authority or governing board of a statutory body and the Panel Member should attempt to resolve the disagreement in the first instance.
- 15.6 Where an adverse report is amended, the Accountable Authority or governing board of a statutory body will advise the Secretary of NSW Treasury.

16 REMOVAL OF INDEPENDENT MEMBER FROM INDIVIDUAL AUDIT AND RISK COMMITTEES

- 16.1 The Accountable Authority or governing board of a statutory body may terminate the engagement of an Independent Chair or Member of an Audit and Risk Committee where the Independent Chair or Member has:
 - (a) breached the Scheme Conditions or Code of Conduct; or
 - (b) provided unsatisfactory performance on the particular committee; or
 - (c) declared or is found to be in a position of conflict of interest which is unresolvable.
- 16.2 The Accountable Authority or governing board of a statutory body may only terminate the engagement of an Independent Chair or Member from the Audit and Risk Committee with approval of the relevant Minister or, in the case of a State Owned Corporation, the concurrence of the Board and Shareholder

Minister. The approval of the relevant Minister is not required in circumstances where the Independent Chair or Member has been removed from the Scheme or otherwise become ineligible to be a member of the Scheme (e.g. commenced employment in the NSW Government service).

In the case of a Machinery of Government change where the dismantling of an agency's Audit and Risk Committee is required, the Accountable Authority or governing board of a statutory body may terminate the engagement of an Independent Chair or Member from the Audit and Risk Committee, with approval of the relevant Minister.

16.3 Where an Accountable Authority or governing board of a statutory body terminates the engagement of a Member of an Audit and Risk Committee, the Accountable Authority or governing board of a statutory body will then advise in writing:

- (a) the Audit and Risk Committee Member of the decision to terminate his or her engagement on the relevant Audit and Risk Committee; and

- (h) otherwise failed to meet the standards required of the Scheme in terms of its project outcomes, client satisfaction and ethical business practices.

17.2 Before membership of the Scheme is formally revoked under clause 17.1, the Secretary of NSW Treasury will advise the Panel Member of the matters prompting the proposed action and will give the Panel Member the opportunity to provide reasons as to why the revocation should not occur.

18 APPEALS

18.1 Should an Applicant and/or Panel Member believe that there are substantive grounds for a review of:

- (a) the Assessment Committee's decision not to admit the Applicant to the Scheme; or
- (b) the decision to terminate Panel Member's engagement to an individual Audit and Risk Committee under Section 16; or
- (c) the Assessment Committee's decision to terminate Panel Member's membership of the Scheme under Section 17.
