NSW Centre for Physical Activity, Nutrition and Obesity Research (1st July 2008 – 30th June 2013) DOH 08/02

Tenders are being sought from suitably qualified organisations to provide the activities of the NSW Centre for Physical Activity, Nutrition and Obesity Research.

The Centre will support the NSW Department of Health and other government agencies in their role of advancing the promotion of physical activity, nutrition and preventing obesity consistent with the NSW State Plan (S3; Obesity). The Centre will be required to build the capacity of NSW to address obesity prevention by providing information, contributing to strategy development, generating evidence and assisting in workforce development.

The successful Tenderer will be appointed as the Contractor for the NSW Centre for Physical Activity, Nutrition and Obesity Research from the 1st July 2008 to the 30th June 2013.

A budget of up to \$880,000 (inclusive of GST) will be allocated for each financial year of the contract period to fund the Project.

Interested parties must obtain a copy of the Information Package from <https://tenders.nsw.gov.au/health/shared/summarylist.cfm>. Tenders must be submitted electronically by visiting <https://tenders.nsw.gov.au/health/>. The Electronic tender document must be named: “*your organisation/consortium_NSW Centre for Physical Activity, Nutrition and Obesity Research Tender No. DOH 08/02*” and must be endorsed by the Tenderer.

For further enquiries please contact Andrew Milat, Manager, Strategic Research and Development Branch, Centre for Health Advancement on (02) 9424 5810 or amila@doh.health.nsw.gov.au.
