

Specification No. 1262
CONSTRUCTION AND COMPLETION OF TRANSGRID LINE
TRAINING SCHOOL EXTENSION AND REFURBISHMENT
Summary of Specification

The following summary indicates the general nature of the work for which TransGrid desires tenders to be submitted. It is issued to enable an assessment to be made whether the Specification documents should be obtained from TransGrid for tendering purposes. It does not form part of the Specification and must not be included as part of your offer.

The Specification documents are available for a non-refundable fee of \$220.00. The Specification documents can be downloaded, or if requested a CD will be issued to an intending Tenderer.

Extent of Work

The Works include, but are not limited to:

- Construction of new office and refurbishment of the existing Line Training School.
- Construction of associated carpark
- Landscaping associated with the project
- Partial demolition of existing facilities
- Associated electrical work.
- Associated mechanical work
- Associated hydraulic work

The works are within an operating maintenance depot and work under the contract must be planned to minimise impact on the site.

Site Location

Metropolitan Area Centre is located at 200 Old Wallgrove Road, Eastern Creek NSW 2175

Site Inspection

Please note that a mandatory site inspection will be conducted on Wednesday 11th March 2009 commencing at 8:00am. Tenderers who do not attend this site inspection will not be eligible to tender.

Contract Closure

The tenderer is required to lodge two (2) hard copies and one (1) CD of the complete tender in TransGrid's Tender Receptacle located at 200 Old Wallgrove Road Eastern Creek NSW 2766 before 11.00 am (Sydney Time on Tuesday 31st March 2009). Tenders may also be lodged by utilising TransGrid's e-Tender website at www.transgrid.com.au, however the hard copies are still required.
